Operations**

On-Demand Admin Services for Arena PLM

Now that you have Arena PLM, you can use it to bring product information, people, and processes together into a single solution to speed your path to product realization.

Product Realization Group (PRG) provides seasoned experts to act as your change analysts and administrators. We have helped many customers realize the full benefits of Arena, enabling manufacturers to stay focused on core business competencies until they can justify hiring a full-time resource.

HOW WE HELP

PRG delivers Arena PLM Administration & Analyst services including:

- Generate part numbering, part number schemes & BOMs
- Drive Change Order Management (ECR/ECOs)
- Configure system set-up, configuration & workflows
- Deliver training & mentoring for new hires
- Organize regulatory requirements (RoHS, WEEE, ISO, ITAR)
- Optimize supply chains for secure collaboration
- Create Standard Operating Procedures (SOPs)

Past Electronic High Tech and Consumer Electronics Companies Include:

- eMotorWerks
- GoPro
- Kumu Networks
- Leap Motion
- Mentor Graphics
- Motiv Power Systems
- Peloton Technology
- Roost (Smart Home)

ABOUT PRODUCT REALIZATION GROUP

Product Realization Group guides technology product companies to make the leap from idea to scale. PRG’s team of “on-demand” experts help companies speed up time-to-market, reduce risk, and lower costs. Our clients cover medical device, industrial, and consumer electronics industries, and include GoPro, Mentor Graphics, FreeWire Technologies, RefleXion Medical, and Pure Storage. Contact us at Contact@PRGnpi.com.

Arena Solutions helps innovative companies design, produce, and deliver better products faster with Arena PLM. PRG is an Arena Business Expert Partner whose services are offered on an independent basis.
